CONSUMPTIVES TAKE NOTICE!

Every moment of delay makes your cure more hopeless, and much depends on the judicious choice of a remedy. The amount of testimony in favor of Dr. Schenck's Pulmonic Syrup, as a cure for Consumption, far exceeds all that can be brought to support the pretensions of any other medicine. See Dr. Schenck's Almanac, containing the certificates of many persons of the highest respectability, who have been restored to health, after being pronounced incurable by physicians of acknowledged ability. Schenck's Pulmonic Syrup alone has cured many, as these evidences will show; but the cure is often promoted by the employment of two other remedies which Dr. Schenck provides for the purpose. These additional remedies are Schenck's Sea Weed Tonic and Mandrake Pills. By the timely use of these medicines, according to directions, Dr. Schenck certifies that most any case of Consumption may be cured.

MOLINE.

The library board meet on Saturday evening.

According to the report of the city treasurer there is a balance in the treasury of \$957.44.

Anderson, the Swede, who was wounded, is better to-day, and hopes are now entertained of his recovery.

The report of B. Oakley, toll keeper, at the new Rock river bridge, for February, shows receipts amounting to \$110.53.

Any one desiring implements of warfare would do well to examine Police Magistrate Swander's stock before purchasing. He has anything, from a revolver to a pickaxe, and is daily increasing his stock.

Don't forget the concert to-night at Reese's Hall, by the Prussian Military Band. This organization is pronounced by all who have heard it as surpassing all other musical companies and has gained the esteem of the press and public wherever it has exhibited. After the concert to-night a grand ball will be given at which the band will furnish the music. This may be the last opportunity to hear this superior company of musicians, and all who can will do well to avail themselves of the chance offered.

George VanWombek, Earl Gorman, John Cane and Harry Dimock, the young men who were dog fighting as stated in yesterday's ARCADE, were taken before Magistrate Swander this morning and fined \$5 each. They all paid guilty to the charge. Gorman was fined \$5 and money but promised to pay as soon as possible. Dimock and VanWombek paid their fines and the quartette were discharged. The fighting was certainly no fun for the dogs, and the outcome did not prove as funny for the boys as might have been anticipated.

C. Matthews, the man who was arrested for furnishing a revolver, and accused of furnishing it yesterday's ARCADE, was arrested again yesterday afternoon and brought before Magistrate Swander, charged with using abusive language to M. S. Wormley. It appears that when he was for a revolver, he was with Wormley, and when he was searched and the cylinder belonging to the revolver found in his boot, he determined to give vent to his feelings, and fearing to attack the officers he opened his battery upon Wormley and cast a catalogue of abuse upon the officers. Officers Wells, Olson and Corney were the witnesses. Matthews tried to show his smartness in cross examining them but it was evident he was out of his latitude. Five dollars and costs were entered against him, and he was committed to the jail.

The regular meeting of the council was held Monday March 5th 1877. Present, the mayor and all the aldermen except B. C. Matthews.

An ordinance to amend an ordinance entitled "An ordinance to license, tax, regulate, and prohibit hawkers and peddlers" was taken up and passed.

Jonathan Hunsdon, admiral of the estate of S. F. Hodges, presented a plat of land in the township of No. 17, and the subdivision of the lots were to be called the Hunsdon Place, Hodges Place, and Black "O" of the Moline Water Power Company's addition to Moline. On motion the plat was accepted.

The following bills were allowed:

Streets \$850.00
Police \$250.00
Fire \$125.00
Water \$125.00
Sewer \$125.00
Cemetery \$125.00
Bridge \$125.00
Total \$1,400.00

Mrs. E. G. Sayles asked that the Council grant her order for \$2,965 for same amount issued January 1st, 1877, same having been accidentally destroyed. The clerk was instructed to issue an order as above.

The Mayor appointed the following as clerks of the board, to succeed the clerks of the coming city election to be held on the third Tuesday in April:

First Ward—Samuel Gault, A. Darling, Peter Johnson, John Shaheen and C. G. Thulin.

Second Ward—A. B. Hull, Henry Klein, F. Bullen, John Holt and Jonathan Hunsdon.

Third Ward—Walter Hithouse, C. J. Kneburg, D. V. Witter, Frank Guncill and John Elmsted.

Fourth Ward—M. A. Gould, Henry Fairclough,
